

EYFS Home Learning ideas

Below is a list of ideas to support your EYFS child:

- Read lots of stories and talk about the characters
- Practise phonics as often as you can (use the phonics flashcards to practise the 'sounds' and use them to word-build)
- Practise counting from 1 to 20 and back
- Practise recognising and ordering numbers to 20 (using the number cards previously sent home)
- Talk about 2D and 3D shapes and find them around your house / garden
- Practise letter and number formation
- Help your child to write a simple diary of some of the activities they have done
- Play games

Please find attached a pack of practical ideas you may find useful as a starting point.
